Proceedings (Animal Sciences)

Vol. 90, 1981

SUBJECT INDEX (Animal Sciences)

Abedus ovatus
Histology and histochemistry of the alimentary canal of *Abedus ovatus* (Stal) (Heteroptera : Belostomatidae) 237

Acanthocephalan parasite
Trichochenia meyeri (Travassos, 1937) Naidu K V and Naidu K A Comb. Nov. (Nematoda : Trichostrongylidae Leiper, (1912) from Pangolin in South India 615

Accessory gland
Functional morphology of the salivary system in some Reduviidae (Insecta—Heteroptera) 145

Acetylcholinesterase
Circadian activity of acetylcholinesterase in the cockroach, *Periplaneta americana* L. 1

Acrididae
Functional histomorphology of the spermatheca of an Indian grasshopper, *Gesonula punctifrons* (Acrididae : Orthoptera) 161

Adisura atkinsoni
New nuclear polyhedroses of lepidopteran insects in Karnataka, (India) 93

Aggression
Observations on the social behaviour of the Indian gerbil, *Meriones hurrianae* 463

Agromyzae
Descriptions of new species of Pteromalidae from the Orient (Hymenoptera : Chalcidoidea) 473

Alcohol dehydrogenase
Statistical analysis of cryptic variations in *Drosophila* alcohol dehydrogenase 545

Alga
Insect contamination (*Ephydra californica*) in the mass outdoor cultures of blue green alga, *Spirulina platensis* 665

Algal cultivation
Insect contamination (*Ephydra californica*) in the mass outdoor cultures of blue green alga, *Spirulina platensis* 665

Alimentary canal
Histology and histochemistry of the alimentary canal of *Abedus ovatus* (Stal) (Heteroptera : Belostomatidae) 237

Alitropus typus infestation
Host specificity and biochemical changes in fishes owing to the infestation of the isopod, *Alitropus typus* M. Edwards (Crustacea : Flabellifera : Aegidae) 445

Alkaline phosphatase
Functional histomorphology of the spermatheca of an Indian grasshopper *Gesonula punctifrons* (Acrididae : Orthoptera) 161

Ampulla
Functional morphology of pylorus and rectal glands in Reduviidae (Insecta—Heteroptera) 483

Androgenesis
Effect of prolactin on tissue cholesterol levels of male albino rats 529

Ansonia ornata
A new species of torrent toad (Genus : *Ansonia*) from Silent Valley, S. India 203

Ansonia rubigina
A new species of torrent toad (Genus : *Ansonia*) from Silent Valley, S. India 203

Anticoagulant
Functional morphology of the salivary system in some Reduviidae (Insecta—Heteroptera) 145

Apicomplexa
On some actinocephalid Gregarines (Apicomplexa : Eugregarinida) of Odonate insects from West Bengal, India 649

Aplocheilus lineatus
Satiation time and maximum food intake of the larvicidal fishes *Aplocheilus lineatus* (Cuv. and Val.) and *Macropodus cupanus* (Cuv. and Val.) 53
Rate of gastric digestion in the larvicidal fishes *Aplocheilus lineatus* (Cuv. and Val.) and *Macropodus cupanus* (Cuv. and Val. 407

Arginase
Catalytic potential of arginase in selected tissues of frog *Rana hexadactyla* during chronic starvation 337

Argulus siamensis
Photic effects on embryonation and phototactic responses by the larvae of *Argulus siamensis* 513
Artificial diets
Litter preferences in the earthworm *Lampito mauritii* 123
Ascothoracica
Larvae of *Myriocladus astropectinis* (Yosii 1931) (Ascothoracica) reared under laboratory conditions 23
Attributes
A contribution to the study of taxa differentiation in cestode taxonomy 343

Bats
Trematodes of microchiropteran bats in India. Part IV. (Pycnoporiinae, Yamaguti, 1958 ; *Pycnoporus* Looss, 1899) 673
Beetle
Observations on the morphology and life history of a cephaline gregarine *Hirmocystis lepropi* n.sp. from the gut of the beetle, *Lepropus* sp. 315
Benthic ostracodes of shallow waters
Seasonal quantitative variations in benthic ostracodes in the tidal stream of Balacheruvu, east coast of India 519
Bhimtal
Fecundity of mahaseer *Tor putitora* (Ham.) 253
Biochemical constituents, Fish
Host specificity and biochemical changes in fishes owing to the infestation of the isopod, *Alitropus typus* M. Edwards (Crustacea : Flabellifera : Aegidae) 445
Biochemistry
Seasonal variations in the lipid composition of ram (*Ovis aries*) testis 357
Bioecology
The identity, distribution and bioecology of *Odontotermes distans* Holmgren et Holmgren (Isoptera : Termitidae : Macrotermitinae) 187
Bivalve
On the periostracum of the freshwater bivalve *Lamellidens marginalis* 79
Blood
Studies on the haemocyanin content in the blood of the freshwater field crab, *Oziotelphusa senex senex* (Fab) in relation to sex 291
Levels of inorganic and organic constituents in the blood of the slug *Laevicaulis alte* (Ferussac 1821) in response to starvation stress 571
Bobs
Courtship and mating behaviour of the Indian soft shell turtle, *Lissemys punctata punctata* 453
Body outgrowths
Functional anatomy of the egg and the nymphal morphology of the teak tingid : *Pontanus puerilis* Drake and Poor (Heteroptera : Tingidae) 389
Book-lungs
Respiratory mechanism of the spider, *Hippasa pantherina* (Family : Lycosidae) 539

Calcium-cum-excretory cell
Observations on the histology and cytochemistry of the digestive gland in *Pila virens* (Lamarck) (Mollusca : Gastropoda) 307
Calotes versicolor
Two new haemogregarines, *Haemogregarina waltairensis* n.sp. from *Calotes versicolor* (Daudin) and *H. ganapatii* n.sp. from *Lissemys punctata granosa* (Shoepff) 365
Carbohydrates
Histochemistry of the ovary of *Macrobrachium kistnensis* 577
Carbon-nitrogen ratio
What affects the abundance and diversity of earthworms in soils ? 117
Cardiovascular disorders
Effect of prolactin on tissue cholesterol levels of male albino rats 529
Caridina rajadhari
Larval stages of a freshwater shrimp, *Caridina rajadhari* Bouvier (Crustacea, Decapoda, Atyidae) 683
Castration albino rat
Effect of castration on some hydrolytic enzymes in the rat was deferens : A histochemical study 495
Catfish
Effects of sublethal concentrations of DDT on muscle constituents of an air breathing catfish, *Clarias batrachus* L. 33
Cephaline gregarine
Observations on the morphology and life history of a cephaline gregarine *Hirmocystis lepropi* n.sp. from the gut of the beetle, *Lepropus* sp. 315
Cercariae indicae XXX
The epizootiology of nasal schistosomiasis in animals 659
Channa punctata
Two new species of myxosporidians, *Myxosoma channai* n.sp. and *Myxobolus tripathii* n.sp from freshwater fishes of Andhra Pradesh 61

Channa punctatus
On diencephalic commissures of three freshwater teleosts 11

Cholesterol
Moult-reproduction relationship in the freshwater prawn *Macrobrachium lanchesteri* (de Man) 39
Effect of prolactin on tissue cholesterol levels of male albino rats 529

Circadian rhythm
Circadian activity of acetylcholinesterase in the cockroach, *Periplaneta americana* L. 1

Clarius sp.
Two new species of myxosporidians, *Myxosoma channai* n.sp. and *Myxobolus tripathii* n.sp. from freshwater fishes of Andhra Pradesh 61

Clibanarius clibanarius
Laboratory reared larval stages of the marine hermit crab *Clibanarius clibanarius* (Herbst) (Decapoda : Anomura) 225

Coccidian
The life cycle of *Eimeria knowlesi* Bhatia, 1936 occurring in the intestine of *Hemidactylus prashadi* Smith 17

Cockroach
Circadian activity of acetylcholinesterase in the cockroach, *Periplaneta americana* L. 1

CO_2
pH regulation during long-term swimming in the mullet, *Rhinomugil corsula* (Hamilton) 303

Constant illumination
Response of subtropical population of *Passer domesticus* to constant illumination 601

Contamination
Insect contamination (*Ephydra californica*) in the mass outdoor cultures of blue green alga, *Spirulina platensis* 665

Copepod parasites
Nature of infestation of fishes by *Lernanthropus gibbosus* Pillai and *L. koenigii* stp. and Lutk. (Copepoda : Anthosomatidae) along the South-west (Trivandrum) coast of India 209

Corpus allatum
The influence of corpus allatum and ovary on the haemolymph protein concentrations in *Odontopus varicornis* (Hemiptera : Pyrrhocoridae) 533

Courtship
Courtship and mating behaviour of the Indian soft shell turtle, *Lissemys punctata punctata* 453

Cryptic variation
Statistical analysis of cryptic variation in *Drosophila* alcohol dehydrogenase 545

Cultural control
Cultural control of rice root nematodes (*Hirschmanniella* spp.) with *Sphenoclea zeylanica* 373

Cyprid
Larvae of *Myriocladus astropectinis* (Yosii 1931) (Ascothoracica) reared under laboratory conditions 23

Cyprinid
Observations on the fecundity of the cyprinid *Rasbora daniconius* (Hamilton) 381

Cytochemistry
Observations on the histology and cytochemistry of the digestive gland in *Pila virens* (Lamarck) (Mollusca : Gastropoda) 307

Dactylogyrus kontii Tripathi
On two unknown and one known monogenetic trematodes, from the gills of *Wallago attu* Schneider 561

DDT
Effects of sublethal concentrations of DDT on muscle constituents of an air breathing catfish, *Clarias batrachus* L. 33

Degraded leaves
Litter preferences in the earthworm *Lampito mauritii* 123

Deuterobaris intestinalis
On *Deuterobaris intestinalis* Mehrotra, 1973 and *Octangium takanoi* Kobayashi, 1921 (Trematoda : Microscaphidiidae) from a marine turtle in India 553

Digestive cell
Observations on the histology and cytochemistry of the digestive gland in *Pila virens* (Lamarck) (Mollusca : Gastropoda) 307

Digestive gland
Observations on the histology and cytochemistry of the digestive gland in *Pila virens* (Lamarck) (Mollusca : Gastropoda) 307

Diodon hystrix
On *Nybelinia* sp. plerocercoid (Cestoda : Tentaculariidae) infection of the oesophagus of *Diodon hystrix* (Pisces : Diodontidae) 281

Drosophila melanogaster
Statistical analysis of cryptic variation in *Drosophila* alcohol dehydrogenase 545

Drosophila melanogaster
Toxicity and the effect of zineb on the rate of development of *Drosophila melanogaster* 609
Drosophilidae
Studies on the Indian fauna of Drosophilidae 195
Dryinidae
Oviposition behaviour in two species of dryinid parasites (Dryinidae, Hymenoptera) 113
Dryinus spp.
Oviposition behaviour in two species of dryinid parasites (Dryinidae, Hymenoptera) 113

Earthworm
Litter preferences in the earthworm *Lampito mauritii* 123
Earthworm species
What affects the abundance and diversity of earthworms in soils? 117
Echinostomatid cercaria
Studies on the freshwater cercariae of Kerala VII. Echinostomatid cercariae 433
Egg-pod
Eyprepocnemis alacris alacris (Serville)—biology and functional morphology of the foregut in relation to feeding (Orthoptera : Acrididae) 99
Eimeria knowlesi
The life cycle of *Eimeria knowlesi* Bhatia, 1936 occurring in the intestine of *Hemidactylus prashadi* Smith 17
Embryonic development
Embryonic and larval development of rohu-mrigal hybrid 417
Entities
A contribution to the study of taxa differentiation in cestode taxonomy 343
Enzymes
Effect of castration on some hydrolytic enzymes in the tat vas deferens : A histochemical study 495
Ephydra californica
Insect cotamination (*Ephydra californica*) in the mass outdoor cultures of blue green alga, *Spirulina platensis* 665
Epidermal glands
Epidermal glands and their ultrastructure during the postembryological development of wings in Oncopeltus fasciatus (Dallas) (Hemiptera : Heteroptera) 641
Ethogram
Consummatory responses of the millipede *Jonespeltis splendidus* (Verhoeff) in relation to soil organic matter 631
Eugregarinida
On some actinocephalid gregarines, (Apicomplexa : Eugregarinida) of Odonate insects from West Bengal, India 649
Exploratory behaviour
Consummatory responses of the millipede *Jonespeltis splendidus* (Verhoeff) in relation to soil organic matter 631
Eyprepocnemis alacris alacris (Serville)
Eyprepocnemis alacris alacris (Serville)—biology and functional morphology of the foregut in relation to feeding (Orthoptera : Acrididae) 99

Faunal homogeneity
Homogeneity and diversity of intertidal polychaete fauna in the Vasishta Godavari estuary 321
Fecundity
Fecundity of mahaseer *Tor putitora* (Ham.) 253
Observations on the fecundity of the cyprinid *Rasbora daniconius* (Hamilton) 381
Feeding and defaecation
Consummatory responses of the millipede *Jonespeltis splendidus* (Verhoeff) in relation to soil organic matter 631
Fibroplasia
On *Nybelinia* sp. plerocercoid (Cestoda : Tentaculariidae) infection of the oesophagus of *Diodon hystrix* (Pisces ; Diodontidae) 281
Fish
Some haematological changes in a freshwater catfish *Heteropneustes fossilis*, infected with the trypanosome, *Trypanosoma maguri* 295
Fish brain
On diencephalic commissures of three freshwater teleosts 11
Flat back millipede
Consummatory responses of the millipede *Jonespeltis splendidus* (Verhoeff) in relation to soil organic matter 631
Food preference
Litter preferences in the earthworm *Lampito mauritii* 123
Foregut armature
Eyprepocnemis alacris alacris (Serville)—biology and functional morphology of the foregut in relation to feeding (Orthoptera: Acrididae) 99
Freshwater teleosts
On diencephalic commissures of three freshwater teleosts 11

Frictional mechanism
The mechanism of sound production in the pentatomid bug *Tesseratoma javanica* Thunberg 173
Functional morphology
Eyprepocnemis alacris alacris (Serville)—biology and functional morphology of the foregut in relation to feeding (Orthoptera : Acrididae) 99

Gastric digestion
Rate of gastric digestion in the larvicidal fishes *Aplocheilus lineatus* (Cuv. and Val.) and *Macropodus cupanus* (Cuv. and Val) 407
Gastropoda
Observations on the histology and cytochemistry of the digestive gland in *Pila virens* (Lamarck) (Mollusca Gastropoda) 307
Gastrothylax crumenifer
Studies on proteolytic activity in *Gastrothylax crumenifer*. A Rumen Fluke of sheep *Ovis ovis* 427
Geological range
Remarks on the fossil genus *Vultogryphaea Vyalov* (Pelecypoda : Mollusca) with description of a new species from Cretaceous beds of South India 351
Gerbil
Observations on the social behaviour of the Indian gerbil, *Meriones hurrianae* 463
Ghanii
Descriptions of new species of Pteromalidae from the Orient (Hymenoptera : Chalcidoidea) 473
Glaucothoe
Laboratory reared larval stages of the marine hermit crab *Clibanarius clibanarius* (Herbst) (Decapoda : Anomura) 225
Glycoproteins
Functional histomorphology of the spermatheca of an Indian grasshopper, *Gesonula punctifrons* (Acrididae : Orthoptera) 161
Gonad-stimulating hormone
Studies on the neurosecretion of thoracic ganglion in relation to reproduction of female *Macrobrachium lanchesteri* (de Man) 503
Gonad weight
Observations on the fecundity of the cyprinid *Rasbora daniconius* (Hamilton) 381
Growth checks
Studies on the growth checks on scales and opercles and their validity in age determination of *Channa punctata* (Bloch, 1793) (Pisces, Teleostei, Channidae) from Guntur, Andhra Pradesh 261

Haematology
Some haematological changes in a freshwater catfish *Heteropneustes fossilis*, infected with the trypanosome, *Trypanosoma maguri* 295
Haemocyanin
Studies on the haemocyanin content in the blood of the freshwater field crab, *Oziotelphusa senex senex* (Fab) in relation to sex 291
***Haemogregarina ganapatii* n.sp.**
Two new haemogregarines, *Haemogregarina waltairensis* n.sp. from *Calotes versicolor* (Daudin) and *H. ganapatii* n.sp. from *Lissemys punctata granosa* (Shoepff) 365
***Haemogregarina waltairensis* n.sp.**
Two new haemogregarines, *Haemogregarina waltairensis* n.sp. from *Calotes versicolor* (Daudin) and *H. ganapatii* n.sp. from *Lissemys punctata granosa* (Shoepff) 365
Haemogregarines
Two new haemogregarines, *Haemogregarina waltairensis* n.sp. from *Calotes versicolor* (Daudin) and *H. ganapatii* n.sp. from *Lissemys punctata granosa* (Shoepff) 365
Haemolymph protein
The influence of corpus allatum and ovary on the haemolymph protein concentration in *Odontopus varicornis* (Hemiptera : Pyrrhocoridae) 533
HCO_3^-
pH regulation during long-term swimming in the mullet, *Rhinomugil corsula* (Hamilton) 303
Heart
Effect of prolactin on tissue cholesterol levels of male albino rats 529
***Heliothis armigera* (Hubner)**
Investigations on *Heliothis armigera* (Hubner) in Marathwada–XX. Life tables for the American bollworm 619
Hemidactylus prashadi
The life cycle of *Eimeria knowlesi* Bhatia, 1936 occurring in the intestine of *Hemidactylus prashadi* Smith 17
Hepatopancreas
Moult-reproduction relationship in the freshwater prawn *Macrobrachium lanchesteri* (de Man) 39
Heteropneustes fossilis
On diencephalic commissures of three freshwater teleosts 11
High altitude
Fecundity of mahaseer *Tor putitora* (Ham.) 253
Hilus
Functional morphology of the salivary system in some Reduviidae (Insecta—Heteroptera) 145

Hippasa pantherina
Respiratory mechanism of the spider, *Hippasa pantherina* (Family : Lycosidae) 539

Hirmocystis lepropi
Observations on the morphology and life history of a cephaline gregarine *Hirmocystis lepropi* n.sp. from the gut of the beetle, *Lepropus* sp. 531

Hirschmanniella spp
Cultural control of rice root nematodes (*Hirschmanniella* spp) with *Sphenoclea zeylanica* 373

Histochemistry
Histology and histochemistry of the alimentary canal of *Abedus ovatus* (Stal) (Heteroptera : Belostomatidae) 237
Effect of castration on some hydrolytic enzymes in the rat vas deferens : A histochemical study 495
Histochemistry of the ovary of *Macrobrachium kistnensis* 577

Histology
Histology and histochemistry of the alimentary canal of *Abedus ovatus* (Stal) (Heteroptera : Belostomatidae) 237
Observations on the histology and cytochemistry of the digestive gland in *Pila virens* (Lamarck) (Mollusca : Gastropoda) 307

Histopathology
Nature of infestation of fishes by *Lernanthropus gibbosus* Pillai and *L. koenigii* Stp. and Lutk. (Copepoda : Anthosomatidae) along the South-West (Trivandrum) coast of India 209
On *Nybelinia* sp. plerocercoid (Cestoda : Tentaculariidae) infection of the oesophagus of *Diodon hystrix* (Pisces Diodontidae) 281

Host fishes
Nature of infestation of fishes by *Lernanthropus gibbosus* Pillai and *L. koenigii* Stp. and Lutk. (Copepoda : Anthosomatidae) along the South-West (Trivandrum) coast of India 209

Host-specificity
Host specificity and biochemical changes in fishes owing to the infestation of the isopod, *Alitropus typus* M. Edwards (Crustacea : Flabellifera : Aegidae) 445

Humanacid-fulvic acid ratio
What affects the abundance and diversity of earthworms in soils ? 117

Hyperextended
Courtship and mating behaviour of the Indian soft shell turtle, *Lissemys punctata punctata* 453

Idiopoma dissimilis
Studies on the freshwater cercariae of Kerala VII. Echinostomatid cercariae 433

Indicus
Descriptions of new species of Pteromalidae from the Orient (Hymenoptera : Chalacidoidea 473

Indoplanorbis
The epizootiology of nasal schistosomiasis in animals 659

Induced chromosome aberrations
The bacterium, *Staphylococcus aureus* induced chromosome aberrations with their protection by penicillin, and mitotic inhibition in Syrian hamsters 129

Inorganic constituents
Levels of inorganic and organic constituents in the blood of the slug *Laevicaulis alte* (Ferussac 1821) in response to starvation stress 571

Insect
Insect contamination (*Ephydra californica*) in the mass outdoor cultures of blue green algae, *Spirulina platensis* 665

Internal characters
Remarks on the fossil genus *Vultogryphaea* Vyalov (Pelecypoda : Mollusca) with description of a new species from Cretaceous beds of South India 351

Intromission
Courtship and mating behaviour of the Indian soft shell turtle, *Lissemys punctata punctata* 453

Labeo ronita
On diencephalic commissures of three freshwater teleosts 11

Laevicaulis alte
Levels of inorganic and organic constituents in the blood of the slug *Laevicaulis alte* (Ferussac 1821) in response to starvation stress 571

Lamellidens marginalis
On the periostracum of the freshwater bivalve *Lamellidens marginalis* 79

Lampito mauritii
Litter preferences in the earthworm *Lampito mauritii* 123

Laparotomy
Response of subtropical population of *Passer domesticus* to constant illumination 601

Larval development
Laboratory reared larval stages of the marine hermit crab *Clibanarius clibanarius* (Herbst) (Decapoda : Anomura) 225
Embryonic and larval development of rohu-mrigal hybrid 417

Larval instar
Epidermal glands and their ultrastructure during the post-embryological development of wings in *Oncopeltus fasciatus* (Dallas) (Hemiptera : Heteroptera) 641

Larval stages
Larval stages of a freshwater shrimp, *Caridina rajadhari* Bouvier (Crustacea, Decapoda, Atyidae) 683

Larvicidal fishes
Satiation time and maximum food intake of the larvicidal fishes *Aplocheilus lineatus* (Cuv. and Val.) and *Macropodus cupanus* (Cuv. and Val.) 53
Rate of gastric digestion in the larvicidal fishes *Aplocheilus lineatus* (Cuv. and Val.) and *Macropodus cupanus* (Cuv. and Val.) 407

Leaf litter
Consummatory responses of the millipede *Gonespeltis splendidus* (Verhoeff) in relation to soil organic matter 631

Lepropus sp.
Observations on the morphology and life history of a cephaline gregarine *Hirmocystis lepropi* n. sp. from the gut of the beetle, *Lepropus* sp. 315

Lernanthropus gibbosus
Nature of infestation of fishes by *Lernanthropus gibbosus* Pillai and *L. koenigii* Stp. and Lutk. (Copepoda : Anthosomatidae) along the South-west (Trivandrum) coast of India 209

Leucophenga rimbickana
Studies on the Indian fauna of Drosophilidae 195

Life history
Observations on the morphology and life history of a cephaline gregarine *Hirmocystis lepropi* n. sp. from the gut of the beetle, *Lepropus* sp. 315

Life tables
Investigations on *Heliothis armigera* (Hubner) in Marathwada—XX. Life tables for the American bollworm 619

Light pulses
Circadian activity of acetylcholinesterase in the cockroach, *Periplaneta americana* L. 1

Lipids
Seasonal variations in the lipid composition of ram (*Ovis aries*) testis 357

Lipids
Histochemistry of the ovary of *Macrobrachium kistnensis* 577

Lissemys punctata granosa
Two new haemogregarines, *Haemogregarina waltairensis* n. sp. from *Calotes versicolor* (Daudin) and *H. ganapatii* n. sp. from *Lissemys punctata granosa* (Shoepff) 365

Lissemys punctata punctata
Courtship and mating behaviour of the Indian soft shell turtle, *Lissemys punctata punctata* 453

L. koenigii
Nature of infestation of fishes by *Lernanthropus gibbosus* Pillai and *L. koenigii* Stp. and Lutk. (Copepoda : Anthosomatidae) along the South-West (Trivandrum) coast of India 209

Lymnaea
The epizootiology of nasal schistosomiasis in animals 659

Lymnaeae luteola f *typica*
Studies on the freshwater cercariae of Kerala VII. Echinostomatid cercariae 433

Macrobrachium
Moult-reproduction relationship in the freshwater prawn *Macrobrachium lanchesteri* (de Man) 39
Studies on the neurosecretion of thoracic ganglion in relation to reproduction of female *Macrobrachium lanchesteri* (de Man) 503

Macropodus cupanus
Satiation time and maximum food intake of the larvicidal fishes *Aplocheilus lineatus* (Cuv. and Val.) and *Macropodus cupanus* (Cuv. and Val.) 53
Rate of gastric digestion in the larvicidal fishes *Aplocheilus lineatus* (Cuv. and Val.) and *Macropodus cupanus* (Cuv. and Val.) 407

Mahaseer
Fecundity of mahaseer *Tor putitora* (Ham.) 253

Malathion
Toxicity of technical and commercial grade malathion to the fish, *Tilapia mossambica* (Peters) 87

Mangiferae
Descriptions of new species of Pteromalidae from the Orient (Hymenoptera : Chalcidoidea) 473

Marine turtle
On *Deuterobaris intestinalis*, Mehrotra, 1973 and *Octangium takanoi* Kobayashi, 1921 (Trematoda : Microscaphidiidae) from a marine turtle in India 553

Matrix method
Homogeneity and diversity of intertidal polychaete fauna in the Vasishta Godavari estuary 321
Maturity
Observations on the fecundity of the cyprinid *Rasbora daniconius* (Hamilton) 381
Membrane
The mechanism of sound production in the pentatomid bug *Tesseratoma javanica* Thunberg 173
Menzeli
Descriptions of new species of Pteromalidae from the Orient (Hymenoptera : Chalcidoidea) 473
Meriones
Observations on the social behaviour of the Indian desert gerbil, *Meriones hurrianae* 463
Metabolic adaptation
Host-parasite relationship and carbohydrates of *Tanqua tiara* Linstow, 1879 585
Metacercaria
Studies on the freshwater cercariae of Kerala VII. Echinostomatid cercariae 433
Microducts
Functional histomorphology of the spermatheca of an Indian grasshopper, *Gesonula punctifrons* (Acrididae : Orthoptera) 161
Microscaphidiidae
On *Deuterobaris intestinalis*, Mehrotra 1973 and *Octangium takanoi* Kobayashi, 1921 (Trematoda : Microscaphidiidae) from a marine turtle in India 553
Minimal molecular weight
Studies on the haemocyanin content in the blood of the freshwater field crab, *Oziotelphusa senex senex* (Fab) in relation to sex 291
Mitotic inhibition
The bacterium, *Staphylococcus aureus* induced chromosome aberrations with their protection by penicillin, and mitotic inhibition in Syrian hamsters 129
Molluscan vector ecology
The epizootiology of nasal schistosomiasis in animals 659
Monogeneans
On two unknown and one known monogenetic trematodes, from the gills of *Wallago attu* Schneider 561
Monothetic divisive classificatory system
A contribution to the study of taxa differentiation in cestode taxonomy 343
Morphology
Observations on the morphology and life history of a cephaline gregarine *Hirmocystis lepropi* n. sp. from the gut of the beetle, Lepropus sp. 315
Mounting
Courtship and mating behaviour of the Indian soft shell turtle, *Lissemys punctata punctata* 453
Mukundaella undulatus
On some actinocephalid gregarines (Apicomplexa : Eugregarinida) of Odonate insects from West Bengal, India 649
Muscle constituents
Effects of sublethal concentrations of DDT on muscle constituents of an air breathing catfish, *Clarias batrachus* L. 33
Muscle lactate
pH regulation during long-term swimming in the mullet, *Rhinomugil corsula* (Hamilton) 303
Myriocladus astropectinis
Larvae of *Myriocladus astropectinis* (Yosii 1931) (Ascothoracica) reared under laboratory conditions 23
Myxobolus tripathii n.sp.
Two new species of myxospordians, *Myxosoma channai* n.sp. and *Myxobolus tripathii* n. sp. from freshwater fishes of Andhra Pradesh 61
Myxosoma channai
Two new species of myxospordians, *Myxosoma channai* n. sp. and *Myxobolus tripathii* n. sp. from freshwater fishes of Andhra Pradesh 61

Nematode parasites
Trichochenia meyeri (Travassos, 1937) Naidu K V and Naidu K A Comb. Nov. (Nematoda ; Trichostrongylidae Leiper, 1912) from pangolin in South India 615
Nesiodrosophila pleurostriata
Studies on the Indian fauna of Drosophilidae 195
Neurosecretory cells
Studies on the neurosecretion of thoracic ganglion in relation to reproduction of female *Macrobrachium lanchesteri* (de Man) 503
New host
Trematodes of microchiropteran bats in India. Part IV. (Pycnoporiinae Yamaguti, 1958 ; *Pycnoporus* Looss, 1899) 673
New species
Two new species of myxosporidians, *Myxosoma channai* n.sp. and *Myxobolus tripathii* n.sp. from freshwater fishes of Andhra Pradesh 61
A new species of torrent toad (Genus : *Ansonia*) from Silent Valley, S. India 203
On a new poultry cestode in India 377
Nuclear polyhedroses
New nuclear polyhedroses of lepidopteran insects in Karnataka, (India) 93

Nucleic acid
Histochemistry of the ovary of *Macrobrachium kistnensis* 577
Numerical taxonomy
A contribution to the study of taxa differentiation in cestode taxonomy 343
Nybelinia cyst.
On *Nybelinia* sp. plerocercoid (Cestoda : Tentacullariidae) infection of the oesophagus of *Diodon hystrix* (Pisces : Diodontidae) 281
Nybelinia sp. plerocercoid
On *Nybelinia* sp. plerocercoid (Cestoda : Tentacullariidae) infection of the oesophagus of *Diodon hystrix* (Pisces : Diodontidae) 281
Nymphal instars
Functional anatomy of the egg and the nymphal morphology of the teak tingid : *Pontanus puerilis* Drake and Poor (Hetroptera : Tingidae) 389
Octangiun takanoi
On *Deuterobaris intestinalis* Mehrotra, 1973 and *Octangium takanoi* Kobayashi, 1921 (Trematoda : Microscaphidiidae) from a marine turtle in India 553
Odonate
On some actinocephalid Gregarines (Apicomplexa : Eugregarinida) of Odonate insects from West Bengal, India 649
Odonaticola elliptica
On some actinocephalid Gregarines (Apicomplexa : Eugregarinida) of Odonate insects from West Bangal, India 649
Odonaticola nonacontha
On some actinocephalid gregarines (Apicomplexa : Eugregarinida) of Odonate insects from West Bengal, India 649
Odontopus varicornis
The influence of corpus allatum and ovary on the haemolymph protein concentration in *Odontopus varicornis* (Hemiptera : Pyrrhocoridae) 533
Odontotermes distans Holmgren et Holmgren
The identity, distribution and bioecology of *Odontotermes distans* Holmgren et Holmgren (Isoptera : Termitidae : Macrotermitinae) 187
Oncopeltus fasciatus
Epidermal glands and their ultrastructure during the postembryological development of wings in *Oncopeltus fasciatus* (Dallas) (Hemiptera : Heteroptera) 641
Opercles
Studies on the growth checks on scales and opercles and their validity in age determination of *Channa punctata* (Bloch, 1793) (Pisces, Teleostei, Channidae) from Guntur, Andhra Pradesh 261
Organic constituents
Levels of inorganic and organic constituents in the blood of the slug *Laevicaulis alte* (Forussac 1821) in response to starvation stress 571
Ovarian histology
Moult-reproduction relationship in the fresh water prawn *Macrobrachium lanchesteri* (de Man) 39
Ovarian regulation
Studies on the neurosecretion of thoracic ganglion in relation to reproduction of female *Macrobrachium lanchesteri* (de Man) 503
Oviposition
Eyprepocnemis alacris alacris (Serville)—biology and functional morphology of the foregut in relation to feeding (Orthoptera Acrididae) 99
Ovipositional behaviour
Oviposition behaviour in two species of dryinid parasites (Dryinidae, Hymenoptera) 113
Oxygen consumption
Respiratory mechanism of the spider, *Hippasa pantherina* (Family : Lycosidae) 539
Oziotelphusa senex senex
Studies on the haemocyanin content in the blood of the freshwater field crab, *Oziotelphusa senex senex* (Fab) in relation to sex 291
Papilio demoleus
New nuclear polyhedroses of lepidopteran insects in Karnataka (India) 93
Parastromateus niger
Nature of infestation of fishes by *Lernanthropus gibbosus* Pillai and *L. koenigii* Stp. and Lutk. (Copepoda : Anthosomatidae) along the South-west (Trivandrum) coast of India 209
Passer domesticus
Response of subtropica population of *Passer domesticus* to constant illumination 601
Penicillin protection
The bacterium, *Staphylococcus aureus* induced chromosome aberrations with their protection by penicillin, and mitotic inhibition in Syrian hamsters 129
Pentatomid bug
The mechanism of sound production in the pentatomid bug *Tesseratoma javanica* Thunberg 173
Periostracum
On the periostracum of the freshwater bivalve *Lamellidens marginalis* 79
Periplaneta americana L.
Circadian activity of acetylcholinesterase in the cockroach, *Periplaneta americana* L. 1

Phauda flammans
New nuclear polyhedroses of lepidopteran insects in Karnataka, (India) 93
Photic effects
Photic effects on embroynation and phototactic responses by the larvae of *Argulus siamensis* 513
Photorefractoriness
Response of subtropical population of *Passer domesticus* to constant illumination 601
pH regulation
pH regulation during long-term swimming in the mullet, *Rhinomugil corsula* (Hamilton) 303
Physically controlled community
Homogeneity and diversity of intertidal polychaete fauna in the Vasishta Godavari estuary 321
Pila virens
Observations on the histology and cytechemistry of the digestive gland in *Pila virens* (Lamarck) (Mollusca : Gastropoda) 307
Planthoppers
Oviposition behaviour in two species of dryinid parasites (Dryinidae, Hymenoptera) 113
Polythetic agglomerative classificatory system
A contribution to the study of taxa differentiation in cestode taxonomy 343
Polythetic divisive method
A contribution to the study of taxa differentiation in cestode taxonomy 343
Pontanus puerilis
Functional anatomy of the egg and the nymphal morphology of the teak tingid : *Pontanus puerilis* Drake and Poor (Heteroptera : Tingidae) 389
Postembryological development
Epidermal glands and their ultrastructure during the postembryological development of wings in *Oncopeltus fasciatus* (Dallas) (Hemiptera : Heteroptera) 641
Principal gland
Functional morphology of the salivary system in some Reduviidae (Insecta—Heteroptera) 145
Prolactin
Effect of prolactin on tissue cholesterol levels of male albino rats 529
Protein
Histochemistry of the ovary of *Macrobrachium kistnensis* 577
Proteolytic activity
Studies on proteolytic activity in *Gastrothylax crumenifer*. A Rumen fluke of sheep *Ovis ovis* 427
Pteromalidae
Descriptions of new species of Pteromalidae from the Orient (Hymenoptera : Chalcidoidea) 473
Pylorus
Functional morphology of pylorus and rectal glands in Reduviidae (Insecta—Heteroptera) 483

Quantitative seasonal variations
Seasonal quantitative variations in benthic ostracodes in the tidal stream of Balacheruvu, east coast of India 519

Raillietina kordofanensis
Redescription of *Raillietina* (*Raillietina*) *kordofanensis* Meggitt and Subramanian, 1927 with a taxonometric approach 333
Raillietina (*Raillietina*) *rybickae*
On a new poultry cestode in India 377
Rana hexadactyla
Catalytic potential of arginase in selected tissues of frog *Rana hexadactyla* during chronic starvation 337
Rarefaction method
Homogeneity and diversity of intertidal polychaete fauna in the Vasishta Godavari estuary 321
Rasbora daniconius
Observations on the fecundity of the cyprinid *Rasbora daniconius* (Hamilton) 381
Rearing
Larvae of *Myriocladus astropectinis* (Yosii 1931) (Acanthoracica) reared under laboratory conditions 23
Rectal gland
Functional morphology of pylorus and rectal glands in Reduviidae (Insecta—Heteroptera) 483
Redia
Studies on the freshwater cercariae of Keral VII. Echinostomatid cercariae 433
Reduviidae
Functional morphology of the salivary system in some Reduviidae (Insecta—Heteroptera) 145
Reduviids
Functional morphology of pylorus and rect glands in Reduviidae (Insecta—Heteroptera) 483
Reproduction
Moult-reproduction relationship in the freshwater prawn *Macrobrachium lanchesteri* (de Man) 39
Reproduction
Observations on the fecundity of the cyprinid *Rasbora daniconius* (Hamilton) 381
Rhinomugil corsula
pH regulation during long-term simming in the mullet, *Rhinomugil corsula* (Hamilton) 303

Rice root nematode
Cultural control of rice root nematodes (*Hirschmanniella* spp) with *Sphenoclea zeylanica* 373
Rodent
Effect of castration on some hydrolytic enzymes in the rat vas deferns : A histochemical study 495
Rohu-mrigal hybrid
Embryonic and larval development of rohu-mrigal hybrid 417

Satiation
Satiation time and maximum food intake of the larvicidal fishes *Aplocheilus lineatus* (Cuv. and Val.) and *Macropodus cupanus* (Cuv. and Val.) 53
Saurida tumbil
Nature of infestation of fishes by *Lernanthropus gibbosus* Pillai and *L. koenigii* Stp. and Lutk. (Copepoda : Anthosomatidae) along the South-west (Trivandrum) coast of India 209
Scent marking
Observations on the social behaviour of the Indian desert gerbil, *Meriones hurrianae* 463
Schistosoma nasale
The epizootiology of nasal schistosomiasis in animals 659
Seasonal changes
Seasonal variations in the lipid composition of ram (*Ovis aries*) testis 357
Sex
Studies on the haemocyanin content in the blood of the freshwater field crab, *Oziotelphusa senex senex* (Fab) in relation to sex 291
Social behaviour
Observations on the social behaviour of the Indian desert gerbil, *Meriones hurrianae* 463
Soil organic matter
Consummatory responses of the millipede *Jonespeltis splendidus* (Verhoeff) in relation to soil organic matter 631
Spawning
Observations on the fecundity of the cyprinid *Rasbora daniconius* (Hamilton) 381
Species diversity
Homogeneity and diversity of intertidal polychaete fauna in the Vasishta Godavari estuary 321
Sermatheca
Functional histomorphology of the spermatheca of an Indian grasshopper, *Gesonula punctifrons* (Acrididae : Orthoptera) 161
Sperms
Functional histomorphology of the spermatheca of an Indian grasshopper, *Gesonula punctifrons* (Acrididae : Orthoptera) 161
Sphaeroma terebrans
Comparative study of the calcium content of the cuticle of *Sphaeroma walkeri* Stebbing, *Sphaeroma terebrans* Bate and *Cirolana fluviatilis* Stebbing and its significance (Isopoda-Crustacea) 593
Sphaeroma walkeri Stebbing
Comparative study of the calcium content of the cuticle of *Sphaeroma walkeri* Stebbing, *Sphaeroma terebrans* Bate and *Cirolana fluviatilis* Stebbing and its significance (Isopoda-Crustacea) 593
Sphenoclea zeylanica
Cultural control of rice root nematodes (*Hirschmanniella* spp) with *Sphenoclea zeylanica* 373
Spirulina platensis
Insect contamination (*Ephydra californica*) in the mass outdoor cultures of blue green alga, *Spirulina platensis* 665
Staphylococcus aureus
The bacterium, *Staphylococcus aureus* induced chromosome aberrations with their protection by penicillin, and mitotic inhibition in Syrian hamsters 129
Starvation
Catalytic potential of arginase in selected tissues of frog *Rana hexadactyla* during chronic starvation 337
Starvation
Levels of inorganic and organic constituents in the blood of the slug *Laevicaulis alte* (Ferussac 1821) in response to starvation stress 571
Statistical analysis
Statistical analysis of cryptic variation in *Drosophila* alcohol dehydrogenase 545
Stegana shirozui
Studies on the Indian fauna of Drosophilidae 195
Stomach
Host-parasite relationship and carbohydrates of *Tanqua tiara* Linstow, 1879 585
Stomopteryx subsecivella
New nuclear polyhedroses of lepidopteran insects in Karnataka, (India) 93
Syrian hamster
The bacterium, *Staphylococcus aureus* induced chromosome aberrations with their protection by penicillin, and mitotic inhibition in Syrian hamsters 129
Sublethal effect
Effects of sublethal concentrations of DDT on muscle constituents of an air breathing catfish, *Clarias batrachus* L. 33

Summer eggs
Functional anatomy of the egg and the nymphal morphology of the teak tingid : *Pontanus puerilis* Drake and Poor (Heteroptera : Tingidae) 389

Tanqua tiara
Host parasite relationship and carbohydrates of *Tanqua tiara* Linstow, 1879 585
Taxonometry
Redescription of *Raillietina* (*Raillietina*) *kordofanensis* Meggitt and Subramanian, 1927 with a taxonometric approach 333
Taxonomy
The identity, distribution and bioecology of *Odontotermes distans* Holmgren et Holmgren (Isoptera : Termitidae : Macrotermitinae) 187
Teak tingid
Functional anatomy of the egg and the nymphal morphology of the teak tingid : *Pontanus puerilis* Drake and Poor (Heteroptera : Tingidae) 389
Teratological aberrations
Redescription of *Raillietina* (*Raillietina*) *kordofanensis* Meggitt and Subramanian, 1927 with a taxonometric approach 333
Testis
Seasonal variations in the lipid composition of ram (*Ovis aries*) testis 357
Effect of prolactin on tissue cholesterol levels of male albino rats 529
Thaparocleidus yogendrai n.sp.
On two unknown and one known monogenetic trematodes, from the gills of *Wallago attu* Schneider 561
Third midgut
Functional morphology of pylorus and rectal glands in Reduviidae (Insecta—Heteroptera) 483
Thoracic ganglion
Studies on the neurosecretion of thoracic ganglion in relation to reproduction of female *Macrobrachium lanchesteri* (de Man) 503
Thumping
Observations on the social behaviour of the Indian desert gerbil, *Meriones hurrianae* 463
Tilapia mossambica
Toxicity of technical and commercial grade malathion to the fish, *Tilapia mossambica* (Peters) 87
T. jaini n.sp.
On two unknown and one known monogenetic trematodes, from the gills of *Wallago attu* Schneider 561
T. javanica
The mechanism of sound production in the pentatomid bug *Tesseratoma javanica* Thunberg 173
T. mathuraensis
Further remarks on the genus *Tremiorchis* Mehra and Negi, 1925 567
T. mehrai
Further remarks on the genus *Tremiorchis* Mehra and Negi, 1925 567
Tor putitora
Fecundity of mahaseer *Tor putitora* (Ham.) 253
Torrent toad
A new species of torrent toad (Genus : *Ansonia*) from Silent Valley, S. India 203
Toxicity
Toxicity of technical and commercial grade malathion to the fish, *Tilapia mossambica* (Peters) 87
Tracheae
Respiratory mechanism of the spider, *Hippasa pantherina* (Family : Lycosidae) 539
Trematoda
On *Deuterobaris intestinalis* Mehrotra, 1973 and *Octangium takanoi* Kobayashi, 1921 (Trematoda : Microscaphidiidae) from a marine turtle in India 553
Trematodes
Trematodes of microchiropteran bats in India. Part IV. (Pycnoporiinae Yamaguti, 1958 ; *Pycnoporus* Looss, 1899) 673
Tremiorchis ranarum
Further remarks on the genus *Tremiorchis* Mehra and Negi, 1925 567
Tropidonotus piscator
Host-parasite relationship and carbohydrates of *Tanqua tiara* Linstow, 1879 585
Trypanosoma maguri
Some haematological changes in a freshwater catfish *Heteropneustes fossilis*, infected with the trypanosome, *Trypanosoma maguri* 295
Trypanosome
Some haematological changes in a freshwater catfish *Heteropneustes fossilis*, infected with the trypanosome, *Trypanosoma maguri* 295
T. spiniphlyctis
Further remarks on the genus *Tremiorchis* Mehra and Negi, 1925 567
T. tigrinarum
Further remarks on the genus *Tremiorchis* Mehra and Negi, 1925 567
T. varanum
Further remarks on the genus *Tremiorchis* Mehra and Negi, 1925 567

T. vitelloconfluentum
Further remarks on the genus *Tremiorchis* Mehra and Negi, 1925 567

Ultrastructure
Epidermal glands and their ultrastructure during the postembryological development of wings in *Oncopeltus fasciatus* (Dallus) (Hemiptera : Heteroptera) 641

Vas deferens
Effect of castration on some hydrolytic enzymes in the rat vas deferens : A histochemical study 495

Viability
Toxicity and the effect of zineb on the rate of development of *Drosophila melanogaster* 609

Vultograyphaea erumanurensis
Remarks on the fossil genus *Vultogryphaea* Vyalov (Pelecypoda: Mollusca) with description of a new species from Cretaceous beds of South India 351

Wallago attu
On two unknown and one known monogenetic trematodes, from the gills of *Wallago attu* Schneider 561

Water absorption
Functional morphology of pylorus and rectal glands in Reduviidae (Insecta—Heteroptera) 483

Watery saliva
Functional morphology of the salivary system in some Reduviidae (Insecta—Heteroptera) 145

Winter eggs
Functional anatomy of the egg and the nymphal morphology of the teak tingid : *Pontanus puerilis* Drake and Poor (Heteroptera : Tingidae) 389

Wobbler
The mechanism of sound production in the pentatomid bug *Tesseratoma javanica* Thunberg 173

Zineb
Toxicity and the effect of zineb on the rate of development of *Drosophila melanogaster* 609

Zoea
Laboratory reared larval stages of the marine hermit crab *Clibanarius clibanarius* (Herbst) (Decapoda : Anomura) 225

Zoonotic potential
The epizootiology of nasal schistosomiasis in animals 659

Zootoxic
Functional morphology of the salivary system in some Reduviidae (Insecta—Heteroptera) 145
